ABOUT

As EDI's New York City Studio Leader, Evan specializes in developing, designing and re-branding projects. He is inspired by the combination of form and function, and his minimalist, clean design approach is what he is known for. He revels in the process of design and strives for collaborative efforts to push designs towards higher quality.

Evan has extensive experience with mixed-use developments in a variety of locales from the Tri-State area to International works. He has contributed to the design of a full range of architectural projects during his career including large scale Urban Mixed-Use Developments, High-Rise Office Buildings, Commercial Retailers and Residential projects ranging from Single Family Homes to large Podiums and Luxury High-Rises.

Evan currently serves on Woodbury, New York's Planning Board and previously served on their Zoning Board of Appeals.
